

Тексты песен к сказке «Теремок» (на англ. яз.)

Mouse

I am grey and very small
I am quick like a bouncing ball
My thin tail is very long
I can hardly sing this song
Don't you frighten me please
I like crumbs and good cheese
You won't find me in your house
I am a shy and tiny mouse

Frog

I jump about
Watch me hopping out
I can wink my eye
I can catch a fly
I like to swim near the shore
When I sleep I sometimes snore
Happy on my log
I'm a little frog.

Hare

My fur is as white as milk
Soft and shiny like silk
My legs are strong and every day
I hop hop and hop away
These two are my long ears
I like carrots not peas
I'm afraid of a bear
I am a little hare

Fox

No one's as pretty as I am
No one is as sly as I am
My fur is gold and soft to touch
Try and you will like it so much
Spot me around in the green wood
Hunting and looking for good food
I am as watchful as hawks
You've already guessed I'm a fox

Wolf

Grey like thick evening fog
I look just like a shepherd's dog
But I do not bark
When the night gets dark
I am arrogant and brave
Be my friend and you'll be safe
Nothing more to prove
I'm a handsome wolf

Bear

I have big paws, a tiny tail
If you see me you turn pale
I live in a den very deep
All the winter always asleep
I am kind and what is more
I have soft and fluffy fur
Go to the woods and find me there
I am a clumsy brown bear

All together in the house

All together in the house
Frog, fox, bear, hare, wolf, and mouse
Friendship it is so much fun
Find a friend if you have none

Let us build a new house to live

Let us build a new house to live
We all have so much to give
Friendship never goes away
Help each other every day
Doesn't matter Sun or Storm
We have a place we call "sweet home"
We have learnt how to be kind
In your heart your soul and mind
